**4FO Ventures** has closed, together with other investors, an investment in the series A financing round of **Artiria Medical** which raised a total amount of CHF 3 million. This investment will help Artiria Medical, based in the La Côte area near the Lake of Geneva, to develop cutting edge technologies to bring micromotion deep in the brain arteries, enabling a seamless navigation and stroke treatment.

## The advisor

**Kellerhals Carrard [advises 4FO Ventures in this transaction](#). The Lausanne team was composed of partner Jean-Luc Chenaux (pictured), lawyers Joséphine Marmy and Cindy Ung.**
