As we have informed last 22 September 2022 [here](#), the Beijing company Lepu Medical Technology has successfully offered and listed its global depositary receipts (GDRs) on SIX Swiss Exchange. The GDRs were admitted to trading and listed on 21 September 2022.

Credit Suisse, CITIC Securities and CICC acted as Joint Global Coordinators and Joint Bookrunners and China Galaxy International, Huatai International and Haitong International as Joint Bookrunners in this deal. [Advestra](#) has advised the banking syndicate on all Swiss law matters related to the transaction.

The team included partner **Annette Weber** (pictured), **Thomas Reutter**, **Alexander Fisch**, **Fabian**

Wild, Fabian Loretan and **Levy Corba** (all capital markets) and **Céline Martin** (tax).
