Bobst Group successfully completed its issuance of Chf 200 million 0.50% bonds due 2026, announced last January. The bonds have been provisionally admitted to trading, and application has been made for admission and listing of the bonds, on the Six Swiss Exchange.

Homburger advised Bobst with respect to all aspects of Swiss law. The team was led by partner René Bösch (capital markets - pictured) and included partner Dieter Grünblatt (tax) and associate Andrea Ziswiler (capital markets).
