The Israeli investment company Arkin Holdings is taking a shareholding in Fu Gen, a privately held, independent energy producer and asset manager in the renewable energies sector based in Zug, as part of a restructuring. One of the purposes of the participation is the promotion and further development of wind farms in Sweden.

The advisors

Walder Wyss [advised the parties on this restructuring as Transaction Counsel](#). The team was led by Thiemo Sturny (Partner, Corporate/ M&A - pictured) and comprised Marion Bähler (Senior Associate, Corporate/ M&A), Nadine Mäder (Associate, Employment), Timon Nydegger (Associate, Corporate/ M & A) and Yves Hürlimann (Trainee Lawyer).
