The shareholders of **Optics Balzers** - specialized in the supply of optical coatings and components - entered into a share purchase agreement with **Materion Corporation** regarding the sale of all shares in Optics Balzers. The transaction is subject to approval of the German merger control authority.

The team

Bär & Karrer [acts as legal advisor](#) to the sellers in this transaction. The team includes partners Christoph Neeracher (pictured), Philippe Seiler, associate Isabelle Stalder and junior associate Lukas Studer (all m&a), partner Susanne Schreiber and associate Martin Leu (both tax), partner Mani Reinert (competition law) and Markus Wang (ip/it).
