Baker McKenzie Switzerland acted as counsel to **Feintool International Holding** in connection with its new CHF 100,000,000 revolving credit facility agreement with **Zürcher Kantonalbank** as mandated lead arranger & bookrunner, coordinator and agent, as well as a syndicate of Swiss and international banks as lenders.

Feintool is a leading global supplier in the areas of fineblanking, forming and electro sheet stamping. It offers solutions ranging from plant construction to high-volume parts production. The company employs approximately 3,500 employees worldwide.

Baker McKenzie Zurich has advised Feintool on all Swiss legal aspects of the transaction. The team was led by **Markus Wolf** (partner, banking & finance, pictured) and further included **Sammy Guidoum** (associate, banking & finance) and **Andrea B. Bolliger** (counsel, tax).
