Bâloise Asset Management has acquired a minority stake in Zurich-based Asset Manager Tolomeo Capital AG.

With this acquisition, which is part of a strategic partnership and that has undisclosed consideration, Bâloise Asset Management further strengthens its position as one of Switzerland's leading rule-based asset managers.

## The team

**Lenz & Staehelin advised Bâloise Asset Management. The team comprises Tino Gaberthüel (pictured), Simone Ehram and Xavier Grivel (all Corporate/M&A) as well as Véronique Amrein (Employment/Pension).**
