Terna signed an agreement to acquire 90% stake in the share capital of **Brugg Kabel** (Brugg Group). Acquisition of Brugg Kabel, an operator in the underground-cable sector, will allow Terna to acquire a centre of excellence for research, development and testing of one of the core technologies for the Tso, such as underground cables.

Bär & Karrer acted as legal advisors to Terna in Switzerland. The team was lead by **Ralph Malacrida** (pictured). As for the Italian side, Terna was assisted by **Ashurst**.
