Valtech, a global digital agency specializing in business transformations, acquired all shares in Infocentric Research AG in December 2019. In addition, all shares in Codeflair AG were purchased in a follow-up transaction, which was completed in March 2021.

The team

Bär & Karrer acted as legal advisor to Valtech S.E. in these transactions. The team included **Mariel Hoch**, **Fabienne Perlini**, **Florentin Weibel** and **Marlene Lienau** (all M&A), **Susanne Schreiber**, **Martin Leu** and **Kerim Tbaishat** (all Tax), **Laura Widmer** (Employment), **Ruth Bloch-Riemer** (Pensions/Social Security) as well as **Markus Wang** and **Annina Läubli** (both IP/IT).
