The global innovation leader with technology-based materials and solutions, **DuPont** has divested the majority of its former Mobility & Materials segment to **Celanese** for a purchase price of \$11 billion in cash, subject to customary transaction adjustments in accordance with the transaction agreement dated February 17, 2022.

[CMS Switzerland](#) advised DuPont Switzerland and handled all aspects of the Swiss component of the M&M Divestiture. The corporate and m&a team was led by managing partner **Pascal Favre** (pictured) and further comprised **Audrey Durand** (associate), **Kevin Marcato** (associate) and **David Müller**.
