Vista Klinik Holding has integrated **Augenzentrum Thun** into its network and has now presence in the region of Bernese Oberland. With its numerous locations, Vista Augenpraxen & Kliniken has a broad network of eye clinics and eye practices becoming a leading centre of excellence for ophthalmology in Switzerland.

Founded in 2012, Augenzentrum Thun specialises in ambulatory eye surgery and offers affiliated doctors the opportunity to provide their patients with first-class care in a professional environment. It is considered the largest ophthalmology service provider in the region.

A team of [CMS Switzerland](#), led by partner **Stefan Brunnschweiler** (pictured left) and counsel **Franziska Hammer** (pictured right; both corporate/m&a), advised Vista Augenpraxen & Kliniken on all legal matters of the transaction. Were also involved **Anna Mast** (associate, corporate/m&a), **Miryam Meile** (associate, employment) and **Premton Haziri** (attorney trainee).
