Crypto Finance [completed](#) its Series B funding round, raising CHF 14 million. Leading the investment round was Swiss investor **Rainer-Marc Frey** and Asian-based **Lingfeng Capital**, with significant investments from existing and several new investors including Asian-based **QBN Capital**.

Dr **Ming Shu**, Partner at Lingfeng Capital, will be proposed as a new member of the Crypto Finance Board of Directors, as **Jan Brzezek**, CEO and Founder of Crypto Finance underlines. In this way, Crypto Finance Group will continue its international expansion and develop operations further in asset management, trading, tokenisation, and storage solutions for institutional investors.

The in-house legal department represented Crypto Finance for the Series B financing round. The team was lead by Dr Simon Trippel.
