[As reported by Iberian Lawyer](#), Swiss investment group Ufenau Capital Partners (UCP) has acquired of a majority stake in the leading industrial refrigeration solutions Diseño y Mantenimiento de Plantas Frigoríficas (now R&M), based in Valencia. This is UCP's first investment in Spain, specialising in investments in service companies in the education and lifestyle, business and financial services and health sectors. R&M has executed some of the largest industrial refrigeration facility design, installation and maintenance projects in Spain, primarily for leading companies in the growing food and logistics sector.

Cuatrecasas counselled UCP with a Barcelona office team formed by M&A partner Kai Christian Fischer, Tax partner Andreas Trost, Labour counsel Gregor Erlebach, Tax senior associate Marc Amorós and Corporate/M&A associate Ander Portillo.
