Gyrus Capital backed DuPont Sustainable Solutions (DSS), a provider of operations management consulting services has acquired Sofies Group, a global sustainability project management and consulting firm with offices in Geneva, Zurich, London and Bangalore.

This acquisition, which was effective 1 October, brings to DSS a senior team of consultants possessing experience in more than 250 ESG consulting projects. With the addition of Sofies consultants, DSS will have more than 1000 full-service employees and experts serving its global clients.

[Lenz & Staehelin](#) acted as legal counsel to DSS in this transaction. The team consisted of partner **Andreas Rötheli** (pictured), associate **Lara Alec** and junior associate **Noé Luisoni** (all corporate and m&a).
