Eversheds Sutherland has advised the founder and long-time chairman Hans Jäggi on his succession and the sale of **ADMEDICS**, Advanced Medical Solutions, to the managing director, Rudolf Meier.

ADMEDICS was founded in 2007 by Hans Jäggi and since then grew into a leading enterprise in the field of trade and distribution of medical devices and instruments in Switzerland. Concretely, is a leading Swiss trading company, selling medical technology products in the fields of biopsy, gastroenterology/endoscopy, urology and senology as exclusive and general agent for leading manufacturers worldwide.

The [Eversheds Sutherland](#) team consisted of partner **Marc Nufer** (corporate m&a, pictured) and **Lorenz Raess** (associate).
