Froriep have accompanied Seba Bank in the launch of the Exchange Traded Products Program of SA1 and has advised on setting up a comprehensive program for cryptocurrency linked ETPs.

The ETPs allow investors to participate in the performance of the emerging asset class of cryptocurrencies.

With **Ronald Kogens** (pictured), **Catrina Luchsinger** and **Mark Montanari** a Froriep team in blockchain and financial markets were in charge of this process. The tax structuring was advised by the Froriep partner **Marcel Jung**, a renowned specialist in taxation of investment products.
