Hong Kong-based **Champion Union HK Holdings** acquired 90% of the stake in **Grasshopper Football**, the entity operating professional football of Grasshopper Club Zurich, from former majority shareholders Dr. Peter Stüber and Stephan Anliker. As part of the transaction a new foundation, the Grasshopper Football Foundation, was established on 9 April 2020. The Foundation shall safeguard the current and long-term interests of the Grasshopper football as a whole. The transaction could be completed after its clearance by the Swiss Football League.
