**Mangeat announced that Lukas van Dobben and Hadrien Mangeat have joined the firm as new counsels.**

**Lukas van Dobben** (pictured right) [is a new counsel](#), strengthening the banking & finance and corporate & commercial teams. Lukas regularly assists domestic and international clients with their business activities and investments in Switzerland and abroad, as well as financial institutions in regulatory and contractual matters. He also advises private clients in wealth planning and restructuring of personal and business assets.

**Hadrien Mangeat** (pictured left) [is a new counsel](#), strengthening the financial crime & investigations team and dispute resolution team. Hadrien assists and represents clients in Swiss and cross-border proceedings in all areas of criminal law, including white-collar crime and investigations, international mutual legal assistance, and juvenile criminal law. He also advises clients in family law matters, representing them in court proceedings or negotiating and drafting agreements.
