The Finnish private equity firm **Juuri Partners Oy** has announced its investment in **DAF Group Oy**, which is responsible for managing **Subway**'s business in Finland and Sweden through a long-term development agreement. Through the investment, DAF Group will expand its operations in Finland and Sweden, intending to strengthen its restaurant network and invest in its current restaurants' digitalization and improved guest experience.

[Homburger](#) acted as Swiss counsel for Juuri Partners Oy. The team comprised partner **Luca Dal Molin** (pictured left) and associate **Joel Fink** (both IP/IT; pictured right).
