On February 24, 2021, Basilea Pharmaceutica, a commercial-stage biopharmaceutical company headquartered in Switzerland and listed on SIX Swiss Exchange, and each of Cantor Fitzgerald & Co., Credit Suisse AG, Bryan, Garnier & Co. Ltd and Bryan Garnier Securities SAS as managers announced a private placement of newly issued Basilea shares, raising gross proceeds of approximately CHF 45.8 m. The new shares, which account for approximately 7.7% of Basilea's share capital, were placed with institutional investors by way of an accelerated bookbuilding procedure.

## The team

**Homburger** acted as legal counsel to the managers on this transaction with respect to all aspects of Swiss law. The team comprised partner **Dieter Gericke** and associate **Lorenzo Togni** (both Corporate / M&A, Capital Markets).
