Homburger has advised **Credit Suisse** and **UBS Switzerland** in connection with the financing of **Farner Consulting** in support of its international buy-&-build strategy.

Farner Consulting, together with its subsidiaries Rod and DU DA, is the leading agency group for communication consulting in Switzerland. Over the past 10 years, Farner has developed into a fully integrated agency group and tripled its turnover. The agency has closed on January 2022 a partnership with Waterland Private Equity to pursue an accelerated growth strategy and international expansion in Europe.

[Homburger](#) advised Credit Suisse Switzerland and UBS Switzerland with respect to all Swiss legal aspects of the financing transaction. The team was led by partner **Daniel Haerberli** (pictured) and included associates **Daniel Junginger** and **Simone Gloor** (all financing and investment products) as well as partner **Stefan Oesterhelt** (tax).
