Today, **VAT Group** has signed a syndicated term and multicurrency revolving credit facilities agreement with a syndicate of eleven banks, led by UBS Switzerland, to replace its current agreements that are due to expire in 2023.

Homburger has acted as counsel to **UBS Switzerland** in its capacity as arranger, coordinator, original lender and agent in connection with VAT Group's CHF 450 m credit facilities.

VAT is the globally leading developer and manufacturer of high-performance vacuum valves, multi-valve units, vacuum modules and edge-welded metal bellows.

Homburger advised UBS Switzerland and the other syndicate banks with regard to all legal aspects of the financing transaction. The team was led by **Stefan Bindschedler** (associate, financing and investment products, pictured) and included **Jürg Frick** (financing and investment products) as well as **Stefan Oesterhelt** (tax).
