## **Ines Holderegger and Sophia Hartwig joined Wenger&Vieli, [the firm announced](#).**

**Ines Holderegger** (pictured left) mainly practices in the areas of pharmaceutical and health law as well as intellectual property law and data law. In her areas of expertise, she advises and represents pharmaceutical and medical device companies as well as hospitals and physicians. Before joining Wenger & Vieli, Holderegger worked as an intern at Schellenberg Wittmer in the practice areas of civil litigation, arbitration, M&A, technology law and data law.

**Sophia Hartwig** (pictured right) mainly practices in the areas of construction and real estate law, real estate transactions, contracts for work and services as well as tenancy law. She advises our clients and represents them in administrative and judicial proceedings. Prior to joining Wenger & Vieli, as a lawyer, she also worked for several years at a law firm in the Zurich area specializing in construction and real estate law, first as a legal assistant, then as a lawyer. She also worked as an intern at a Zurich business law firm.
