Intertrust Group, operating in corporate client, fund, capital markets and private wealth services, announced on September 7, 2020, that it has acquired the client portfolio of **Van Doorn**, a Swiss corporate management and private wealth services company based in Zug. Starting this month, Van Doorn will be transitioning its client activities and employees to Intertrust Group. With the increasing complexities of international business, clients joining the transition will benefit from Intertrust Group's global network and its tech-enabled solutions.

The team
