As we have informed [here](#), **Invision** has closed the acquisition of Careanesth.

The shareholders of Careanesth, the leading provider for the placement of nursing professionals in the Swiss healthcare sector, have sold their majority stake to Invision, a private equity investment company.

[Kellerhals Carrard](#) has advised the sellers in this transaction. The team included **Beat Brechbühl** (partner pictured), senior associate **Patric Brand**, **Daniel Emch** (partner, competition), and **Jan Heller** (trainee).

[Niederer Kraft Frey](#) has advised Invision on the acquisition.
