Mobiliar [is taking over the Swiss start-up Buildigo](#), thereby supplementing its services in the field of housing. Mobiliar relies on business ecosystems to support its customers also thanks to digital networking and platforms. Buildigo is such a digital platform: It creates added value for home owners and tenants by placing qualified craftsmen from their own region for specific needs.

The team

Kellerhals Carrard [are supporting Mobiliar in this transaction](#). The team includes counsel Kathrin Enderli (corporate/m&a - pictured) and managing partner Philippe Frésard (notary's office).
