LENZ & CADUFF Attorneys at Law [is a lean law firm focused on digital case handling](#). Starting with two partners - **Christian Lenz** (pictured right) and **Pascal Caduff** (pictured left) -, they focus on real estate, corporate and commercial law as well as employment law topics. Both partners advise in German as well as in English. Their clients include everything from private individuals, to startups, to bigger corporate accounts. The creation of the firm dates back to November 2020, even though it has officially been launched in February 2021.

"We look forward to welcoming our clients and colleagues in person at our new offices at Zähringerstrasse 9 in Zurich as soon as the Corona situation permits", says Christian Lenz to *Legalcommunity.ch*. "We are convinced that by handling cases largely digitally, there is a clear added value for the client", comments Pascal Caduff on the creation of this new firm in the Swiss market.

Before co-founding the firm, Christian Lenz was General Counsel at On, the successful, fast-growing Swiss sports brand. Pascal Caduff has built up and managed various teams at the fastest growing legal protection insurer in Switzerland, Dextra legal protection, and ultimately was Chief Underwriting Officer before co-founding LENZ & CADUFF Attorneys at Law.
