Lenz & Staehelin advised Rakuten Medical in the acquisition of Medlight, a Swiss medical company which produces and commercializes a large range of catheters and diffusers for optical light delivery.

The acquisition of Medlight provides Rakuten Medical with a strategic partner and ensures Rakuten Medical has access to and more comprehensive oversight of a supply chain vital to the development of its diagnostics and therapeutic light technologies.

The team

Lenz & Staehelin advised Rakuten Medical with a team including **Tino Gaberthüel**, **Simone Ehrsam**, **Federico Trabaldo Togna** and **Xavier Grivel** (all Corporate and M&A), **Jürg Simon** and **Adrian Wyss** (both IP), **Astrid Waser** (Competition), **Franziska Stadtherr-Glättli** (Tax) and **Nicole Koch** (Employment and Pensions).
