Niederer Kraft Frey advised former Leoni AG board member and LEONI Studer AG CEO Bruno Fankhauser regarding the acquisition of Leoni Schweiz AG from Leoni AG by a consortium of buyers led by Bruno Fankhauser and Helvetica Capital AG. The sale of Leoni Schweiz AG forms part of Leoni AG's wider effort to divest parts of its Wire & Cable Solutions (WCS) division in order to focus on the wiring systems business. A share purchase agreement has been signed and the transaction is expected to be completed before the end of March 2021.
