MLL [advised Generali in the acquisition of a real estate portfolio comprising two residential and two mixed-use buildings located in the center of Geneva](#). The MLL team, led by **Philippe Prost** (Real Estate & Construction), consisted of **Cosima Trabichet-Castan** (Real Estate & Construction) and **Jacques Johner** (Real Estate & Construction).

MLL had to carry out a detailed compliance assessment of each one of them with regard to the requirements of the Geneva LDTR law in connection to renovation works in order to identify and precisely evaluate the possible risks for the buyer. The acquisition, split in two separate deeds, also required to obtain a Lex Koller authorization.
