Webtiser, a renowned Swiss SAP e-commerce specialist based in Zurich, was acquired by Swisscom. As one of the largest national full service providers in Switzerland, Swisscom thus completes its portfolio of services and benefits from Webtiser's many years of experience, particularly in the area of SAP Customer Experience.

The team

Meyerlustenberger Lachenal (MLL) [advised](#) the shareholders of Webtiser in all aspects of this transaction. The team was led by Kilian Schärli (Partner and Co-Head of MLL's Blockchain Industry Group - pictured), and included Alexandra Linder (Senior Associate, Corporate & M&A), Julian Kläser (Senior Associate, Tax) and Jonas Schütte (Junior Associate, Corporate & Notarial Services).
