**MLL Legal** advised **ZenOwn** on insurance regulatory aspects concerning its soon to be launched application that will make it much easier and 12 times faster to buy insurance coverage for certain products. The Zug-based ZenOwn is an award-winning, innovative Swiss start-up pursuing the vision of re-inventing the post-purchase experience by building a bridge between retailers, brands, insurance groups and consumers.

The **MLL Legal** team was led by partner and co-head of the insurance industry group **Kevin M. Hubacher** (pictured).
