MLL assisted the Dutch private equity firm Nimbus and its portfolio company Bontexgeo in the acquisition of the Swiss company Stratex.

The team was led by **Mona Stephenson** (Partner, M&A - pictured) and included **Thomas Nabholz** (Partner, tax), **Séverine Micheloud** (Associate, corporate), **Hannah Cipriano-Favre** (Associate, employment) and **Renato Bucher** (Associate, competition law).

Nimbus is a Dutch private equity firm which invests in industrial companies, mainly automotive, power industries and brewery. Currently, Nimbus holds 25 majority stakes in medium-sized companies throughout Europe.

Stratex is a 22 years old Swiss-based producer and supplier of geosynthetic materials, geomembranes and bituminous products, leader in Switzerland.
