Niederer Kraft Frey <u>advised Calibre Scientific on the acquisition of HUBERLAB</u>, a Swiss distributor of life science consumables, reagents and tools selling into pharmaceutical labs, environmental labs, government entities, research universities and other industrial end customers.

Calibre Scientific is a diversified global provider of life science reagents, tools, instruments, and other consumables to the lab research, diagnostics, industrial, and biopharmaceutical communities. Calibre Scientific owns a portfolio of 17 life science and diagnostic companies, that have an unrivaled ability to address the unique challenges of their respective markets. Its global reach extends into over 100 countries, empowering customers all over the world. Headquartered in Los Angeles, California, Calibre Scientific continues to grow across a wide array of verticals and geographies, further expanding its product offering and global footprint to laboratories around the world.

The team

The NKF team was led by Corporate/M&A partner Patrik Peyer (pictured), working with associate Corinne Russi, junior associates Tanja Lutz, Thomas van Gammeren (all Corporate/M&A), counsel Janine Reudt-Demont (Life Science/Technology), associates Annina Fey (Employment), Anne Huber (Real Estate), partner Adrian Koller and junior associate Reto Seiler (both Financing).
