**Niederer Kraft Frey** has advised the sole shareholder of **Odermatt Gruppe** on the sale of Odermatt Gruppe to **Polygon Schweiz**. With this acquisition the company strengthens its property damage restoration (PDR) business growing in the small and large claims business in Switzerland, by leveraging on Odermatt's unique skill sets and complementary custome

The Swiss group is based in Galgenen and is operating nationwide through multiple companies in Switzerland: Hegner Fenster, Odermatt Fenster + Türen and Fenster Doktor. The Odermatt Gruppe is the market leader for its segment "window repairs and replacement" in Switzerland, with high presence in the higher populated Zurich and surroundings. Annual sales are about CHF 20 million with 65 employees.

From the other side, Polygon is a world-wide player in property damage control, providing solutions to prevent control and mitigate all kinds of property damage. Polygon's target is to be well positioned in each country in which operates.

The **NKF** team was led by m&a partner **Moritz Maurer** (pictured) working with associate **Alexander**

**Gobel** (corporate) and senior associate **Derya Ozdogan** (tax).
