BRUSA HyPower, a Swiss based technology leader in the field of energy converters and an innovative global supplier for power conversion systems for heavy-duty applications, has completed a strategic growth equity investment agreement with Bosch Rexroth, M&G Investments and Temasek.

Under the terms of the investment agreement dated 29 June 2022, Bosch Rexroth, M&G Investments and Temasek have agreed to invest into BRUSA HyPower. BRUSA HyPower intends to use the funds to accelerate product development and scale manufacturing capabilities to meet the rising demand for energy conversion systems for fuel cell and battery electric vehicle applications.

Niederer Kraft Frey has advised BRUSA HyPower in this transaction. The team was led by corporate/m&a partners **Till Spillmann** (pictured left) and **Andrea Giger** (pictured right), working with partners **Clara-Ann Gordon** (data protection), **Nicolas Birkhäuser** (IP/IT), **Markus Kronauer** (tax) and **Philip Spoerlé** (financing), senior associate **Deirdre Ni Annrachain** (corporate/m&a), associates **Katalin Siklosi**, **Benedikt Hadorn**, **Samuel Hochstrasser**, **Corinne Russi** and **Michel Herren** (all corporate/m&a) and junior associates **Reto Seiler** and **Alexander Züger** (corporate/financing).
