Niederer Kraft Frey advised **Gasverbund Mittelland**, the renowned procurement and grid company of natural and biogas to the Plateau and Northwestern regions in Switzerland, on the raising of a EUR 250 million syndicated credit facility focused on securing the provision of gas as well as capital expenditures and investments as a replacement of the existing credit facility. **UBS Switzerland** acted as arranger, agent, fronting bank and lender together with other financial institutions as lenders.

The **NKF** team was led by partner **Philip Spoerlé** (m&a/finance, pictured left), working with associate **Reto Seiler** (m&a/finance, pictured centre) and partner **Markus Kronauer** (tax, pictured right).
