Solör Bioenergy Group's main shareholder Nordic Infrastructure AG successfully completed a EUR 200m Green Financing. The new funds will be used to refinance NIAG's existing debt facility as well as investing in the future growth of Solör Bioenergy Group and ensuring liquidity for the ordinary course of business of NIAG. Solör Bioenergy Group is a leading energy company for wood-based district heating.

The team

Walder Wyss AG acted as Swiss counsel to Nordic Infrastructure AG. The team has been led by **Urs P. Gnos** (Partner, Corporate/M&A) and **Tervel Stoyanov** (Counsel, Finance), and further included **Maurus Winzap** (Partner, Tax), **Christian Hagen** (Managing Associate, Corporate/M&A), **Samuel Lieberherr** (Managing Associate, Corporate/M&A), **Janine Corti** (Counsel, Tax) and **Angela Kummer** (Associate, Corporate/M&A).
