Partners Group, Switzerland-based alternative asset management company and private equity firm, [has agreed to acquire](#) a majority stake in **Rovensa**, Portugal-based agrochemical activities of Sapec, from **Bridgepoint** in a transaction valuing the company [at EUR 1bn](#). A sale process was initiated by Bridgepoint in early November 2019 but was delayed due to Covid-19 pandemic. The process received interest from several investors including KKR, UPL and PAI.

Partners Group can enable Rovensa to continue building platform and seize newer opportunities. Rovensa would focus on accelerated development of their leading biological solutions portfolio, continued internationalization and select further acquisitions to continue to build their capabilities.

The advisors

Partners Group's general counsel Andreas Knecht (pictured) worked in this transaction. Cuatrecasas and Ropes & Gray [acted also as legal advisors](#) to Partners Group. The teams were respectively led by partners Mariana Norton Dos Reis and John Newton and Kiran Sharma.

Bridgepoint capital's general counsel Charles Stuart John Barter worked in this transaction. Also, Uria Menendez acted as legal advisors to Bridgepoint.
