The current economic crisis due to the Covid-19 pandemic has certainly touched the legal fields - both firms and legal departments - in terms of priorities. For this reason, in a post-covid perspective, *Legalcommunity.ch* launched [a poll among its readers on LinkedIn](#).

A great attention to **cybersecurity** was noticed. Of course, with the pandemic, home working saw a huge increase. The same goes for all the risks connected to the technologies used. That's why 32% of respondent think it's a priority in the post-covid scenario. However, according to our readers, time management is equally important (32%).

For 11%, however, it will be crisis management that will be at the top of the priority list after this challenging period. Reputational risk was also very important according to 26% of the participants.
