Trasteel and **Vanomet**, Switzerland-based trading and investment companies operating in the steel, consumables and raw materials industry, have acquired **Officine Tecnosider**, an Italian manufacturer of hot rolled heavy plates, for an undisclosed sum. Trasteel has held a minority stake in Officine Tecnosider since its establishment, as Mergermarket specifies.

PwC Switzerland and Italy provided m&a and legal support, as well as financial due diligence and tax advice to the buyers. The legal team included Alvise Becker, Benjamin Fehr, Natali Prodan Milic (all corporate).

Pedersoli Studio Legale acted as legal advisor to Officine Tecnosider.
