Last december, **Rheon Medical** [raised](#) CHF 5.6 million in a Series C financing round. The proceeds will be used for expanding the commercial activities in Europe as well as for launching the FDA approval process. The new financing was led by prominent private Swiss and UK-based investors. Rheon's current shareholders also participated in the round.

Id est avocats [acted as legal advisor to](#) Rheon Medical. The team included Michel Jaccard (pictured) and Tristan Gigon.
