Schellenberg Wittmer has advised the Lucerne-based LokRoll3, a locomotives holding company managed by Reichmuth & Co Investment Management, in a debt financing transaction for the acquisition of 35 newly-built Vectron AC locomotives from Siemens Mobility.

The locomotives will be leased to SBB Cargo through LokRoll3's asset manager Northrail for a period of eight years.

[Schellenberg Wittmer](#) acted as Swiss legal counsel to LokRoll3 and Reichmuth & Co Investment Management on this transaction. The team was led by partner **Philippe Borens** and includes associate **Andrea Andelic** and **Dominic Wälchli** (all banking & finance), partner **David Mamane** and **Amalie Wijesundera** (both competition and antitrust) and **Roland Wild** (tax).
