Tamara Teves joins [Advoro](#) (**Advokatur am Rosenberg**) from **MME Legal**, where she is now a partner. Tamara Teves is a specialist in financial markets law and has particular expertise and extensive experience in the legal analysis of new financial products, platforms and technologies in the financial market. Her clients include internationally oriented technology companies as well as innovative and traditionally oriented financial institutions and financial service providers. She advises and represents clients in all regulatory matters with a focus on FinTech, DLT and Blockchain, banking, financial markets and contract law.

Prior to joining Advoro, Tamara Teves worked for several years at **MME Legal** in Zurich, the supervisory organisation for asset managers and trustees in Zug, and the Swiss Financial Market Supervisory Authority (**FINMA**) in Bern.

Tamara Teves studied at the University of St.Gallen and at the Zurich University of Applied Sciences and completed research stays at NYU Law School and UCLA School of Law. She also obtained a Certificate of Advanced Studies UZH in Financial Markets Law at the Europa Institute of the University of Zurich. During her studies, she worked for a large American technology company and a Swiss private bank.
