Sunfire, the Dresden based company in green hydrogen, has acquired **IHT Industrie Haute Technologie**, a Swiss alkaline electrolysis company. With this expansion of its product portfolio, Sunfire continues to strengthen its position as a world-leading industrial electrolysis company.

The team

VISCHER [advised Sunfire on all legal and tax aspects of this transaction](#). The team was led by Gian-Andrea Caprez (Partner, Corporate/M&A - pictured) and included Vincent S. Reardon (Managing Associate, Corporate/M&A), Christian Gutzwiller (Associate, Corporate/M&A), Christoph Niederer (Partner, Tax), Veysel Oruclar (Associate, Tax) and Jeannine Dehmelt (Associate, Employment).
