VISCHER has advised **EBL** on the sale of its Telekom division to **Sunrise**. EBL has been active in the telecom business since 2000 and owns telecom networks in around 200 communities in Switzerland. At the same time, EBL has been successfully pursuing a strong expansion of its business with renewable energy, heat production and distribution for several years. Due to this strategic focus, EBL is selling its telecom business.

The **VISCHER** team consisted in **Stefan Grieder** (partner, corporate/m&a), **Marc Prinz** (partner, employment), **Nadia Tarolli** (partner, tax), **Moritz Jäggy** (partner, corporate/m&a), **Sebastian Flückiger** (senior associate, corporate/m&a) and **Adrian Briner** (senior associate, tax).
