QoQa Brew, a subsidiary of QoQa Services, has financed its craft brewery through a security token offering. The brewery will be located in the "QG", a co-working eco-friendly space imagine by QoQa Services, a leading Swiss innovative daily sales website proposing attractive offers to its community. The new building designed by QoQa in Bussigny, the QoQa Brew brewery will see the light of day in early 2023 thanks to tokenization, an innovative crowdfunding.

VISCHER has advised QoQa Brew and QoQa Services on the transaction. The team was led by **Maxime Chollet** (partner, co-head corporate) and further included **Kevin Marcato** (associate, corporate).
