Capricorn Holding is one of the main independent agricultural service providers in Switzerland. As part of the succession plan, the previous owners sold their shares to Forster Frucht & Gemüse AG, which is successfully established in the fruit and vegetable trade, and to the Migros Aare cooperative, which is a minority shareholder. This takeover continues the company's 132-year history and offers around 170 employees the basis for a successful future.

The team

VISCHER [advises the sellers of Capricorn Holding on all legal questions in connection with the transaction](#). The team consists of Christian Wyss (Partner, Corporate / M&A), Sebastian Flückiger (Associate, Corporate / M&A), and Adrian Briner (Associate, Tax).
