As we have informed [here](#), **Suixx** sold the **db electronic Group** to **NCAB Group**, which is listed on Nasdaq Stockholm. The db electronic Group is active in the development, production, distribution and trading of printed circuit boards with companies in Switzerland, Germany and France.

VISCHER has advised Suixx on this transaction. The team consisted of partner **Robert Bernet** (pictured left) and **Peter Kühn** (pictured right; both m&a/corporate).
