As we have informed last 27th September 2022 [here](#), **Boston Consulting Group** (BCG), the global strategy consultancy firm has acquired **Quantis**, a pioneering environmental sustainability consultancy headquartered in Switzerland.

Quantis is a global sustainability consultancy pioneering approaches to solve critical environmental challenges. The group partners with leading organisations who are serious about reducing their environmental impacts to future-proof their businesses and prosper in a new planetary economy. With offices in the US, France, Switzerland, Germany and Italy and clients around the world, Quantis is a key partner in inspiring sustainable change on a global scale.

[Walder Wyss](#) and **Hogan Lovells** International advised BCG on all legal aspects of this transaction. The team was led by partner **Thiemo Sturny** (pictured left) and senior associate **Michael Kündig** (pictured right; both corporate/m&a) and further included **Dimitrios Berger**, **Timon Nydegger**, **Letizia Schlegel** and **Camille Tistounet** (all corporate/m&a), **Céline Squaratti** (employment), **Hugh Reeves** (IP/IT), **Hannes Meyle** (data protection), **Julia Lehner** (real estate) and **Pascal Zysset** (notarial services).

[Schellenberg Wittmer](#) has acted as lead counsel to the shareholders in the cross-border sale of sustainability consultancy Quantis International to BCG.
